

Timothy & Titus – Teaching Faith, Hope and Love

Timothy & Titus is a unique Christian computer game that **teaches key Christian concepts in a fun, light-hearted way, reinforced by constant Bible scripture** that is displayed on-screen throughout the game.

What is 'Timothy & Titus' all about?

Timothy, my son, I give you this instruction in keeping with the prophecies once made about you, so that by following them you may fight the good fight, holding on to faith and a good conscience (1 Timothy 18-19)

'Timothy & Titus' presents fictional adventures of St Paul's disciples, Timothy and Titus (T&T), as they venture across the lands of early Christianity spreading God's Word, and performing miracles of healing and conversion in the name of Christ. The game revolves around 3 key gameplay concepts:

Love is the lifeblood of Timothy and Titus: Run out of love and T&T lose hope. Love is found in many and varied places; helping widows in need, from pacifying enemies, in the beauty of God's creations- T&T will find love in many places along their adventures

Faith powers the gifts of T&T to perform many wondrous tasks in the name of the Lord, like healing the sick, driving out evil spirits and performing miracles. Faith, like love, is found in many places, like the converting of sinners or in the dark places when faith is most needed..

Hope allows T&T to continue when beset by obstacles like hatred or dangerous lands, and allows them to continue their mission in Christ

What do Timothy and Titus do in the game?

The Gospel / The Word of God is one of T&T's most powerful and useful abilities: to spread the Word of the Lord to those around them. It will pacify enemies and convert hearts!

On screen Bible verses display wonderful passages calling all to be saved through Christ

Prayer is the other of T&T's most powerful abilities: Praying for those around them will protect T&T, converts sinners and saves them when surrounded by vicious enemies!

On screen Bible verses display uplifting passages reflecting on the power of offering one's life in surrender to the Lord and His Will

Timothy and Titus, just as in their real life adventures, are blessed with Gifts of the Holy Spirit to aid them in their ministry:

- ✝ **Finger of God** – To drive out evil spirits and battle demons
- ✝ **Pacify** - Subduing aggressive enemies
- ✝ **Healing** - Heals the sick and can replenish T&T's love
- ✝ **Armor of God** – Protects T&T, making them invulnerable to attacks of the evil one and his minions
- ✝ **Miracle**- Performing an extremely powerful Miracle to deliver them from all evil

'Timothy & Titus' is a unique Christian computer game that reinforces key Christian values in its gameplay concepts and reinforces this with relevant Bible scripture. Co-operation, puzzle solving and Christian values are combined in one package that the whole family can enjoy!

"There are "other" Christian 3d games on the market where the onscreen characters use violence or the themes are dark. That's why we're pleased to bring Timothy & Titus to our customers. It avoids all those pitfalls while still bringing you great action and content." www.sundaysoftware.com/titus/
